

### **Andrew Benson** *Chief Revenue Officer*

Andrew joined Envision Radiology in January of 2015. He continually transforms the revenue cycle process through automation, innovation, analytics and building a strong team of billing experts. In addition, he provides strategic leadership to the patient access functions to expedite care for all patients. Prior to Envision, Andrew worked in the clinical arena primarily in vascular surgery and interventional radiology. He was on faculty at Rush

University from 2008-2013 teaching undergraduate students in vascular ultrasound. Andrew holds bachelors degrees in Biology from University of Wisconsin and Vascular Ultrasound from Rush University. He also has multiple post degree certificates in data visualization and data analytics. His unique insights into data and innovation drive the companies mission forward of revolutionizing diagnostic imaging. Andrew is married with two boys and enjoys golf, hockey, running and any outdoor activities with his family.

#### **As a result of this presentation, participants should be able to:**

- Understand the common requirements for advanced imaging procedures for most major insurance carriers as well as anticipated timelines for determinations.
- Understand the potential impact of fraudulent information being provided to auth entities and recognize the importance of strict compliance adherence.
- Provide actionable feedback to their providers about detailed documentation in their E&M visit notes that will improve the outcomes of auth determinations while remaining within compliance.
- Prepare their offices for the upcoming government regulations related to Clinical Decision Support and Appropriate Use Criteria.

#### **Disclosure**

The planners and faculty report no relevant financial relationships with commercial interests to disclose.

#### **Accreditation and Designation Statements**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Certified Medical Assistant and Health Images. Certified Medical Assistant is accredited by the Colorado Medical Society to provide continuing medical education for medical assistants.

Certified Medical Assistant designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credits™. Medical assistants should claim only the credit commensurate with the extent of their participation in the activity.
